**We are still looking for a permanent place to store our show trailer.**

We have the potential of 2 places. One we have to pay for. The second is a friend of a friend but is not a club member. We prefer to store the trailer with someone who is a member of the club. If you live on a property large enough to to store the club trailer, and are willing to help out your club, call Jose Soto to offer your help. You would be a club hero!
